2. The Board of National Estimates and the IAC representatives have agreed that no post-mortem is required on NIE 11-13-55, "Soviet Foreign Policy in the Light of the Summit Conference," 4 October 1955. The paper involved largely questions of judgment as to Soviet intentions rather than positive intelligence. Deficiencies in the latter have been noted in post-mortems on previous estimates on the Soviet Union, and will be dealt with again in connection with the next regular estimate on the USSR scheduled for the Second Quarter of 1956. No post-mortem will therefore be undertaken, except at the request of a member of the IAC at the next regular meeting.

3. Unless objection is raised by a member at the next regular meeting of the IAC, the Secretary proposes to release to USIA, NIE 11-13-55, "Soviet Foreign Policy in the Light of the Summit Conference," 4 October 1955.

4. All the IAC members having approved IAC-D-45/12 (Revision 5), 15 September 1955, "Procedures for the Dissemination of National Intelligence Surveys," that document supersedes IAC-D-45/12 (Revision 4), 10 June 1953, and all subsequent amendments thereto.
